

Fire Service Technician (Entry-Level)

Do you like to work with tools? Are you customer oriented? Are you looking for the right career opportunity where you can learn and develop your skills? If you would like to join our growing team, apply today!

R & T Hood and Duct Services, Inc., a leader in the industry for providing fire protection services to the greater Seattle area, is looking for a **Fire Suppression Service Technician** who will be responsible for servicing a route while interacting with clients, performing inspection, testing & maintenance tasks, repair and installation of various types of fire suppression systems. **We will train you!**

Our ideal candidate will have excellent customer service skills and a professional demeanor; we are looking for a self-starter with a positive attitude, initiative, sense of urgency and a great communicator! A typical shift starts between 5am and 7am, Monday through Friday. Candidates must have the flexibility to work occasional nights, weekends, and an on-call rotation.

For over 30 years, R&T Hood and Duct has been responsible for the installation and inspection of kitchen fire suppression systems, fire extinguishers and kitchen hood/duct systems. Our combination of technical expertise and commitment to customer service remains unmatched in the industry.

What the Successful Candidate will be able to:

- 6 months related experience in labor, maintenance, warehouse, alarm, car repair, or delivery runs
- Read and interpret mechanical drawings, specifications, and schematics
- Understand building codes and regulations is helpful
- Utilize hand tools; a mechanical (piping) and/or electrical skillset
- Climb a ladder and handle equipment and tools while on a ladder
- Identify colors and recognize safety alarm sounds and sights
- Work in a challenging and technical field
- Access and tolerate small crawl spaces
- Lift up to 75 lbs. and regularly carry 40 lbs. up and down flights of stairs and long distances to and from truck
- Obtain and retain appropriate certifications and/or licenses as required (company paid)
- Possess a valid driver's license and have a good driving record
- Pre-employment drug test is required
- Flexible to work occasional nights, weekends, and an on-call rotation
- Must be dependable and a self-starter who is capable of performing under pressure
- Positive attitude, self-motivated, strong organizational and communication skills

R&T Hood and Duct Services, Inc. offers a generous benefits package including paid time off, advancement opportunities, medical, dental, 401K match, tuition reimbursement, employee referral bonuses, volunteer paid time off. If you would like to join our growing team, please apply today!
