

Nanny – Issaquah (Full or Part-time)

Issaquah family is looking for a fun-loving **Nanny** to provide guidance during virtual learning, be creative/engaging with fun activities, and keep up with the daily routine for their 7-year-old daughter and (soon to be) 4-year-old son.

The nanny will need to help the children navigate learning virtually this school year by getting them logged into their virtual classes, keeping them on task in a firm yet friendly manner, homework follow up, and light meal prep during lunch and snack times.

This family lives on 7 ½ acres on top of Cougar Mountain so the nanny must enjoy the outdoors, be comfortable with nature and genuinely love playing outside with the children rain or shine! Both children are an absolute joy, spirited with a ton of energy. The right nanny must be hands-on with their interests, which includes pretend play, arts & crafts, dinosaurs, puzzles, and various sports.

Currently, both parents will be at home, so the nanny must be comfortable being a team, help to enforce home rules, work through sibling disagreements, build a strong-trusted bond, and keep the children active and engaged.

The ideal candidate will be reliable, patient, calm, warm, genuine, and intuitive. Sports background is a bonus. Must be comfortable and have experience with young children, be strictly following CDC precautions/guidelines for COVID-19, and like dogs and cats. This position begins as soon as the right nanny is found!

Schedule: Mon – Fri with a start time of 7 AM, but can be flexible with hours (full or part-time)

Rate of Pay: \$20 - \$25 hourly (DOE)

This family is working with All Things HR for this nanny search. They will be your first point of contact when applying to this position. Submit your resume and cover letter to jobs@allthings-hr.com.
